

Concrete Hoppers

Concrete Hopper - This accessory is a self-dumping hopper that automatically sets off to dump whenever bumper release contacts the side of a dumpster. Once dumping is done, the hopper goes back to a locked and upright position. This piece of machinery is also available together with a cable which enables operation from the seat of the forklift to be able to have the option of manually dumping the hopper. There is a locking chain provided so as to secure the hopper to the fork truck. This product is constructed with consistent and reliable robotic welds for utmost strength. The forklift dumping hopper likewise has a blue powder coat finish in order to maintain durability.
