

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They enjoy providing products which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills together with their knowledge of cleaning applications, together with owners' strong desire to dramatically lessen cost through productivity gains.

The personnel at TREK and their dealer-partners are really devoted to having both parts and technical support obtainable when it is required. Their high service commitment is amongst the core values in their customer service. Keeping their clients' cleaning equipment ready and working on a daily basis is top priority. The company's top of the line technology delivers dependable equipment which eventually lessens your cost of cleaning. The product, the price and the service all work together to make them the leader in the business.
