Advance-Nilfisk Parts - Think about how tiresome it will really be to clean up your own home right after throwing a big party, with out help from cleaning equipment. In the past, when upholstery and carpets had the dirt beat out of them manually; brushes, brooms and cleaning cloths were the best cleaning supplies back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Starting the company in the year 1906, he began to produce motors to be able to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's dream from the start was to have an international business selling products worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that can be operated by one individual since it just weighed 17.5 kilos! This invention came in a time where various cleaning equipment were very big and needed 4 or more operators, hence, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning machines provide a brilliant solution to an ongoing problem; things get dirty and must be cleaned regularly, without too much effort.

Gradually, the business Nilfisk-Advance developed throughout the years. In the the early part of the 1980's the company grew fast when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the business, aspiring to be an active international player in manufacturing professional cleaning equipment. Nilfisk-Advance is now represented in every part of the globe due to steadily obtaining numerous smaller companies in order to develop their product range and presence in new markets. They are really proud to provide various cleaning solutions to meet every requirement.
