

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized in the industry as durable and strong machines which meets the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company who is currently likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln could supply machinery, parts and warranty service for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency matter. Lately, this floor scrubber model has been requested by the architects in different construction projects like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
